- For General-EWS category, 5% seats would be reserved for session 2020-21 as per GOI orders.
- <u>Candidates whose final result of their qualifying degree is not yet declared</u>, are provisionally short-listed for the interview, and would be interviewed provided they have secured the necessary aggregate marks or equivalent CGPA in the results declared so far for the qualifying degree.
- There will be <u>no</u> admission to Ph.D. Programme on *self-sponsored* basis and also there will be <u>no</u> admission without appearing in the interview in person.
- If any student who satisfies the shortlisting criteria and he/she has not received any shortlisting email OR his/her name is not in the shortlisted list, he/she can contact the office of the Head of the Physics Department or can write on bkmani@physics.iitd.ac.in before July 26, 2020.

Other important instructions:

- 1. Before you plan to appear for **online** interview, please confirm that you meet Short-listing condition#1 and at least <u>one</u> condition out of six list from 2A to 2F. During interview, in case we find that you do not meet the shortlisting criteria, you will not be interviewed.
- 2. **Selection Process:** The results of interviews will be available at the ANNOUNCEMENTS page of the Physics Department website by late evening of **28**th **July 2020**. The successful candidates are advised to contact via email the prospective faculty members before **02:00 PM**, **August 03, 2020** for the final selection. Based on the interaction and consent from the faculty, the candidate has to send an email with the name(s) of the prospective supervisor to bkmani@physics.iitd.ac.in for the final selection by the Department Research Committee.
- 3. Candidates are advised to visit Physics department website regularly to know the details about PhD vacancies, name and emails of faculty members and research topics.
- 4. In case your qualifying examination results are not declared, you may be considered for provisional admission. You will be required to submit a certificate from your institute that your qualifying examination including practical/ project are completed before the date of registration, which is 13th August 2020. However, the result of your qualifying examination must be produced by 13th August, 2020, failing which the admission would be cancelled.

Owing to the evolving situation due to the COVID-19 outbreak, it is possible that the 1st Semester, 2020-21 may start later than the previously announced date. You are requested to keep track of the IIT Delhi website for updates on this issue. Communication via email will also go to you from IIT Delhi.

- 5. Part-time applicants <u>must</u> bring a "*NO OBJECTION CERTIFICATE*" on a proper letter head of the appropriate authority in the organization in which they are working, failing which they will **NOT be interviewed**. The format for the same, as provided in the Information Brochure (available at the admission portal at IIT Delhi website) **must be exactly followed**.
- 6. Full Time Sponsored applicants seeking admission to Ph.D. programme on the basis of study leave must submit the "SPONSORSHIP CERTIFICATE" on a proper letter head of the appropriate authority in the organization they are working. Failing which they will **NOT be interviewed**. The format for the same, as provided in the Information Brochure (available at the admission portal at IIT Delhi website) **must be exactly followed**.
- 7. You are requested to go through the INFORMATION BROCHURE, I semester 2020-21 (available in IIT Delhi website) carefully before coming for the interview.
